Letter no. 132/G.A.D. dated 27th October 1941 from the Comptroller to Govt. stating that the inter-transfers from the Second class Health officers' cadre to the Bureau of Laboratories & Vice Versa are not admissible as the two posts of Supdts are separate charges to be held by officers on Rs 400-50/2-700.

The file leading to the posting of Mr. S. Seshagiri Rao, Health officer, Second class, as Superintendent, Vaccine Institute is put up. [CB. 68-41 (1)]

2. In the G.O. No. 7223-34/Sany 3-26-6 dated 7th January 1927, sanctioning the re-organisation of the Public Health Department, two posts of Superintendents, one for Public Health Laboratory and the other for Vaccine Institute, on Rs 400-30-700, were sanctioned. In connection with the revision of the scales of pay of the Department of Public Health, sanctioned in the G.O. No. Fe. 3588-92/S&A 273-34-1 dated 12-10-34 the pay of these appointments was fixed at Rs 400-50/2-700. The permanent incumbents of these two posts are Messrs G. H. Dominick and M.

Ramachandra Rao. The number of Health officers I Class which carry the grade pay of Rs 400-50/2-700, is two and messrs Srinivasa Peidpet and C. V. Nalarajan are holding them substantively. In February 1941 mr M. Ramachandra Rao, Supt. V. Institute, was posted as Health officer and his place was taken by Dr. C. V. Nalarajan, Health officer, 1st class. The pay of the post of Supt and of Health officer, 1st class, being identical, no audit objection was raised then.

3. Now Dr Nalarajan has been posted as Health officer and mr Seshagiri Rao, Health officer, Second class, as Superintendent, Vaccine Institute. With the posting of Dr. Nalarajan as Health officer, mr Ramachandra Rao will have no lien on the post of the Health officer, 1st First class and consequently he should revert to his permanent appointment as Supt. of the Vaccine Institute. But now mr Seshagiri Rao has been posted as Supt. Vaccine Institute, combining mr Ramachandra Rao as Health officer and he will, therefore, have to be counted

counted against the post of a Health officer, Second class, as the two posts of Health officers, First class, are held by messrs Srinivasa Peidpet and C.V. Natarajan As mr Ramachendra Rao is permanent in the higher grade, he cannot be shown against a vacancy in the lower grade.

4. The posts of Superintendents, Vaccine Institute and Public Health Institute, have all along been held only by Health officers and inter-transfer of Health officers is therefore inevitable. The no. of Health officers, 1st class being only two, it may not always be convenient to post only these two officers to the charge of the two Institutes. In the interests of Public service, Second grade Health officers, will have to be posted to these two charges as in the present case of mr Seshagiri Rao. ~~The~~ ~~case~~ ~~by~~ ~~the~~ ~~two~~ ~~posts~~ ~~of~~ ~~Superintendents~~ ~~in~~ ~~the~~ ~~case~~ ~~of~~ ~~Health~~ ~~officers,~~ ~~also.~~ As the posts of Superintends of the two Institutions carry the same grade pay as that of an

12 From the G.O of 1927, it is seen that the original intention in creating a Senior Scale of pay was to bestow upon the responsibility involved in dealing the special charges of Public Health & Vaccine in Districts. But it is now held that these charges are such as can be held by a junior officer only, the necessity originally anticipated of the creation of Senior posts to appear to need not increase the no. of 1st class offices just to give promotion — All possible economies have to be effected and in the higher interests avoid all expenditure will have to be eschewed when the above necessity though has ceased

OFFICE OF THE COMPTROLLER TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

No 132/GAD

Bangalore, dated 27th October 1941

CB.68-41-2

From

M. VIRARAJA URS, Esq., B.A., B.L.,
Comptroller to the Government of
His Highness the Maharaja of Mysore.
BANGALORE.

To

V. Vedavyasacharya, Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

Sir,

R/A

Adverting to Government Notification No.1157/C.B. 68-41-1 dated 23/24th September 1941 transferring Mr. S. Seshagiri Rao, Second Class Health Officer as Superintendent, Vaccine Institute, Bangalore, I have the honor to invite kind reference to Government Order No. G 7223-34/Sany 3-26-6 dated 7-1-1927 and No. Fl.3588-92/S & A 273-34-1 dated 12-10-1934 and to state that the two posts of Superintendents, Public Health Institute and Vaccine Institute are not included in the cadre of Health Officers and the pay of these posts has been separately fixed in the above Government Orders. The intertransfers from the Second Class Health Officers' Cadre to the Bureau of Laboratories and vice versa are not permissible as the two posts of Superintendents are separate charges intended to be held only by officers on Rs 400-50/2-700.

When Mr. C. V. Natarajan, a first class Health Officer, was posted as Superintendent, Vaccine Institute, the transfer was provisionally allowed in audit as the pay of the two posts viz Superintendent, Vaccine Institute and First Class Health Officer, is the same.

If the posting of a second class Health Officer in grade Rs 150-25/2-350 now ordered in the above notification against the charge of a Superintendent on Rs 400-50/2-700, is permanent, Mr. M. Ramachandra Rao, the permanent Superintendent of the Vaccine Institute in grade Rs 400-50/2-700 will have to be treated as a Second Class Health Officer in grade Rs 150-25/2-350 as there will

be no vacancy among First Class Health Officers (the two first class posts being substantively held by Messrs M.G. Srinivasa Peidpet and C. V. Natarajan).

I request that specific orders of Government regularising the arrangements now made may kindly be obtained and communicated to this office through the Finance Department.

I have the honor to be,
Sir,
Your most obedient servant,

M. Viraraja Iyer

Comptroller.
